Betzy Chavez from Hanna Institute discussed the Equity in Education Initiative Pledge and the students that are guiding the Initiative.

4. Supporting Cradle to Career Goals

Karin Demarest discussed YouthTruth town halls and the opportunity for C2C to be a sponsor by providing outreach. Dates are potentially changing and Karin will let C2C members know when she has more information.

Alea Tantarelli offered an idea from Dan Blake in his absence. To help address the digital divide in computer literacy, Dan can commit to working with interested Operations Team members (and perhaps Health Action Chapter representatives if there's interest) to set-up "place-based" parent and family technology trainings using SCOE's Mobile Learning Lab. Please let Alea know if you have an interest in exploring this approach.

Guadalupe Navarro let C2C members know that the Latino Family Education Summit will be a week-long virtual conference in April. Lupe will send the flier to C2C once it is finished.

5. Conclusion and Check-out

The next virtual Cradle to Career meeting will be held on March 25th, 2021.
